SAA-19-0008 - Indigeneity and the State in Indonesia
The Local Turn in the Dialectic of Recognition

Dear authors,

I was so far unable to get reviewers. The reason is probably the abstract. I would like to ask you to improve the abstract and then resubmit it.

Best regards,
Andreas Ufen

Sincerely,
Dr. Andreas Ufen

Dear Prof. Ufen

I want to inform you that we have revised our paper based on the reviewers suggestion. I have try to upload our revised paper thru my account but it does not work due to there is no link available to upload the revised version. Should I sent this draft thru my account under the term "new submission" or it is permissible to sent it thru your email? Here i attach our revised version if it permissible, but if i should upload it thru the account, please inform me then i will upload it immediately. Related to the reviewers suggestion, we followed all suggestions/comments of the reviewers. Only the first suggestion of the second reviewer who suggested to delay the theoretical part on dialectics we did not consider because we felt that the article would be too descriptive without the theoretical part (which is already quite small), and the first reviewer wrote that the "theoretical treatment in terms of dialectical relations between the state and indigenous groups is well explicated and deployed", so we think that this theoretical treatment need a small introduction.

Thank you.

best regards

Sukri
