Dear Author

Paper received with reference as in the subject line.

Please put this reference in the subject line of all correspondence.

Please remind me every 3 weeks regarding the review status.

Please ensure

- the tables ensuring only 3 numbers after or before the 00 (eg: 193 Not 193,25) and that table headings are inside the table and tables and graphs are incorporated inside the text.
- the formatting of the paper and the reference list follow instructions in Notes to Authors.
- URLs are accessible and active.
- Figures and tables to be placed inside the text.
- Remember that the final HTML version of LRRD is a mirror image of the file in "word".
- So your submitted paper should follow closely the style of published papers in LRRD
