Dear Nurjannah Nurdin,

While checking the final version of your contribution for publication, we have found that it does not strictly adhere to the ISPRS guidelines <http://www.isprs2020-nice.com/index.php/guidelines-for-camera-ready-papers/>.

CONTRIBUTION DETAILS  
ID: 481  
Title: Coral reefs on inhabited and uninhabited small islands, Spermonde archipelago, Indonesia

Please thoroughly check ALL the guidelines and the following points in particular:

- Do not forget to mention the corresponding author (with \* AND the footer of the left column of the first page).

Upload a new version of your contribution on Conftool as soon as possible (ideally before the end of the month).

Thank you for your cooperation.

Best regards.

Dear Nurjannah Nurdin,  
We are delighted to inform you that the paper 481 - "Coral reefs on inhabited and uninhabited small islands, Spermonde archipelago, Indonesia" has been accepted for publication in the International Archives of the Photogrammetry, Remote Sensing and Spatial Information Sciences. The Archives act as the proceedings of the 2021 edition of the XXIVth ISPRS Congress.  
The program of the 2021 digital edition of the Congress will be released in May, once all camera-ready contributions will have been received.  
In order to be integrated in the Archives, you must submit a full paper version of your abstract by "April 21, 23h59h59s Pacific Time" (camera-ready version). This deadline is strict and will not be extended. Once submitted, the paper will be accepted in the ISPRS Archives after i) passing the plagiarism check, ii) verifying that the paper is in line with the ISPRS guidelines, and iii) checking that its technical content is conform to the first version and follow reviewers' recommendations.  
We wrote some useful guidelines for you: <http://www.isprs2020-nice.com/index.php/guidelines-for-camera-ready-papers/>  
Inclusion in the proceedings requires to have registered for the 2021 edition of the XXIVth ISPRS Congress. More details about registration and refund policy will be available on ISPRS Congress website soon: <http://www.isprs2020-nice.com/index.php/participate-submit/#register>.

REVIEW RESULT OF THE PROGRAMME COMMITTEE:  
This contribution has been accepted and will be published in the 2021 proceedings  
Your paper will be published in the ISPRS Archives of the Photogrammetry, Remote Sensing and Spatial Information Sciences: <https://www.isprs.org/publications/archives.aspx>  
One of the co-authors has to be registered to the 2021 edition of the Congress for final publication of your paper.
