to me

Thu, Jun 16, 2:12 PM

Dear Author,

Please find the attached Reviewer Feedback of your manuscript "Proctoring and Non-Proctoring Systems: A Comparative Study of Online Exam Scores for an Arabic Translating Course".

Kindly revise your paper as per the feedback attached here with and send us an updated version following the SAI Paper format (attached). Please submit your camera ready paper (both .docx and .pdf format) on or before June 20, 2022 for publication in **IJACSA June 2022**.

Tentative Publication Date - 1 July 2022

If you have prepared your paper in Latex, there is no need to submit a .docx file (Submit Latex sources with .pdf file). You may download the Latex Paper Format from <http://thesai.org/Home/Downloads>

Our publication team is experienced in handling most of the formatting issues in the manuscripts. While there are instances when an issue cannot be resolved, only in those cases the manuscript may be shifted to the next issue. There will be no other extra charges nor there will be any liabilities. We are fully committed to the satisfaction of the authors and are always there to assist you in the best possible manner.

Thank you for considering **IJACSA** as a medium for publication of your work.

Regards,

Editor

Dear Editor

Due to commend, here are the edited file to respond the reviewers' feedback,

Reviewer 1:

- The abstract may be extended further -> The abstract has been developed by adding an overview in the first line.
- A particular keyword "Comparative Study" used was not mentioned in the abstract --> This part has been explained in the second sentence; This Study compares
- Introduce the paper describing what the paper is about. Expand to emphasize the problem leading to a clear set of research questions and objectives the research addresses --> has been added to the abstract via the first sentence
- Figure 3 is not referred in the text -> Fixed
- The tables from the paper can be explained more clearly -> Fixed
- All the tables should be referred as Table. I, Tables. II and so on... instead of 'previous Table', 'following table', 'table above', 'table below'. -> Fixed

Reviewer 2

- 1 - In Introduction, remove (Heading 1) -> Done
- 2 - Data analysis - The quality of statistical reporting and data presentation in the paper is inadequate -> has been added
- 3 - References are fewer, you must add 10 more references -> has been added
- 4 - More work is needed on elaborating further what contributions are made in these works and specifically the techniques used for the problem in this study -> has been added
- 5 - The paper can be strengthened with the problem formalization and elaboration on the techniques used to tackle the problem -> has been added
- 6 - Links to the system are not working i.e <https://ujian.sikoola.com/> 7 - In some places text in not written in neutral form i.e "Based on this explanation, I wish to address the following research questions: "--> fixed

I do hope that the improvement of this article has met the requirements of publication
