JOURNAL OF ENGINEERING SCIENCE & TECHNOLOGY (JESTEC)
SCHOOL OF ENGINEERING, TAYLOR'S UNIVERSITY, MALAYSIA

Dear Author

Thank you for submitting your research paper to the Journal of Engineering Science and Technology (JESTEC)

Kindly note that we have received the paper entitled

THERMAL PERFORMANCES OF VERTICAL GROUND HEAT EXCHANGERS IN VARIOUS CONDITIONS

Your paper ID is **ME14_079** (Please quote the above manuscript ID in all future correspondence with us.)

It is firstly required that the manuscript should be formatted according to JESTEC Template. Please use this link to read the **Guidelines for Submission of Contributions** <http://jestec.taylors.edu.my/instructions.html> and to download the **template** http://jestec.taylors.edu.my/Template_Final_Paper.doc.

Prior to proceeding with the review process, you are kindly required to

- ~~1- send us your latest CV~~
- ~~2- fill in the JESTEC-Copyright transfer form (use this link to download <http://jestec.taylors.edu.my/JESTEC-Copyright%20transfer%20form.doc>)~~
- 3- your alternative email

~~Please submit the JESTEC-Copyright transfer form together with, the names, affiliations and e-mail addresses of four potential reviewers with Ph.D. Degree as minimum requirement.~~

Once submitted we will notify you via email when the review process starts. We will let you know the outcome once the review process is completed.

In order to complete the review process on time, we highly appreciate it if we can receive the Copyright Transfer Form and the Suggested Reviewers within **one week** from today.

Dear Author

Thank you for your email and sending your modified paper.

There are some formatting mistakes and the paper in its current format needs further revision before it can be accepted as camera-ready paper and published online or hardcopy publication (*please refer to our website for instructions and template*).

We would like to inform you that your paper has been scheduled to be published in **December 2016, Volume 11 Issue 12**

Attached please find the acceptance letter.

Please take note that we are currently working to upload all accepted and ready camera papers under the category "Articles in Press" which means your paper will be uploaded online and fully cited but as a hardcopy will appear in Volume 11(12), December 2016.

We also like to inform you that the sooner you submit the final version of your paper the earlier will appear online in the Journal website as an "Article in Press".

Kindly use this link <http://jestec.taylors.edu.my/Articles%20in%20Press.htm> to read more about "Articles in Press".

Dear Author

Thank you for your email and sending your modified paper.

There are some formatting mistakes and the paper in its current format needs further revision before it can be accepted as camera-ready paper and published online or hardcopy publication (*please refer to our website for instructions and template*).

We would like to inform you that your paper has been scheduled to be published in **December 2016, Volume 11 Issue 12**

Attached please find the acceptance letter.

Please take note that we are currently working to upload all accepted and ready camera papers under the category "Articles in Press" which means your paper will be uploaded online and fully cited but as a hardcopy will appear in Volume 11(12), December 2016.

We also like to inform you that the sooner you submit the final version of your paper the earlier will appear online in the Journal website as an "Article in Press".

Kindly use this link <http://jestec.taylors.edu.my/Articles%20in%20Press.htm> to read more about “**Articles in Press**”.

We thank you very much for your interest in JESTEC and looking forward for new contribution.

Best regards
