Dear Dr. Andi Ejah Umraeni Salam,

We are pleased to receive your manuscript for possible publication in ICIC Express Letters (ICIC-EL).

Reference No.: ICICEL-1911-023

Title: IOT-BASED FIRE AND THEFT DETECTION SYSTEM IN HOUSING

Author(s): Andi Ejah Umraeni Salam, Rhiza Samsoe'loed Sadjad, Faizal Arya Samman, Ida Rachmaniar Sahali and Zulharman

The above number "ICICEL-1911-023" has been assigned to your paper. The review result will be sent to you in due time (about two months).

ICIC-EL policy presupposes that the manuscript you have submitted has not been published, is not scheduled to be published, and indeed is not currently under review for publication elsewhere. If this is not the case, please notify this office immediately.

Please remember in any future correspondence regarding this article to always include its manuscript number "ICICEL-1911-023".

Many thanks for submitting your manuscript to ICIC-EL.

Kind Regards,
Dr. Yan SHI

Dear Dr. Andi Ejah Umraeni Salam,

It is my great pleasure to inform you that your contribution to ICIC Express Letters,

Reference No.: ICICEL-1911-023

Title: IOT-BASED FIRE AND THEFT DETECTION SYSTEM IN HOUSING

Author(s): Andi Ejah Umraeni Salam, Rhiza Samsoe'oad Sadjad, Faizal Arya Samman, Ida Rachmaniar Sahali and Zulharman

has been accepted for the publication with the following conditions.

Also, please use the ICIC-EL style

files <http://www.icicel.org/ell/information.html> (either LaTeX source files,

or Word with PDF files) for preparing your paper (no more than 8 pages) for the publication.

The paper is generally well written and organized. The results presented in the paper seem correct, and potentially useful in practice. The techniques employed to tackle the problems are generally standard with some novelties. The paper can be accepted for publication subject to some necessary minor changes as below:

Comments:

- (1) The significance of this manuscript should be emphasized in the introduction from the academic and practical perspectives.
- (2) In the end of Section 1, the organization of this study is suggested to be summarized.
- (3) In section 3.3, the " If the sensors detects any motion... then the notification will automatically be immediately displayed on the web as in Figure 9." is mentioned. The reviewer thought that it is rule-based system. Whether it can be furthe enhanced.
- (4) Whether some critical technologies are solved by the designed system? It is suggested to be further stated and analyzed.
- (5) More up-to-date papers from the international journals are expected to be cited and added in the reference list.
- (6) Some statements are unclear for readers, and some incorrect expressions can be found in the current version.
 - a) In the abstract, the " The system... and display the report of monitoring on the Website.";
 - b) In the introduction, the "The same study but using Zigbee wireless networks as a communication medium"; the "The same research by adding a UGS (Unattended ground sensors) sensor to increase the accuracy of theft detection in a home.".
 - c) On page 2, the " an early detection system for fire and intrusion applied in a house."; the "The working principle of this prototype is using four sensors as..."; the "designing web and database software for monitoring display";
 - d) On page 3, the "the ultrasonic sensor then used..."; the "The flowchart of the software design of this research shown below in Figure 4";
 - e) On page 5, the "successively tested the performance of 4 sensors namely the temperature sensor, smoke sensor, pir sensor, ultrasonic sensor and then tested the entire system."; the "The results obtained that...";
 - f) On page 6, the "The second test by integrating the PIR Sensor and Ultrasonic Sensor, which is driven by using a servo radar to detect the location of a person's location in the house."

Please note that if the paper is not revised satisfactorily complying with the conditions above, ICIC-EL reserves the right to reject the paper from the journal.

Please submit your Final Version, Revision Note, the Publication Page Charges and Copyright Form (<http://www.icicel.org/ell/information.html>) to us within Three Weeks' Time (from the date of this message) at our online submission system <http://www.icicel.org>. Thank you for your understanding and cooperation.

ICIC-EL has been indexed in Scopus (Elsevier), and INSPEC (IET). We would like you to refer to ICIC-EL publications especially your own works in your future research. We believe it will help you promote your article and enhance its visibility.

Please feel free to contact me if you have any questions about your paper.

Dear Dr. Andi Ejah Umraeni Salam,

I am glad to inform you that your accepted paper (ICICEL-1911-023) has been edited for the publications in ICIC Express Letters (ICIC-EL). It is extremely important that you go over the galley proof very carefully for errors and any necessary changes such as updating status of papers in the reference (volume, issue, page numbers, year). At this stage, only minor changes can be accepted, and any changes should be marked in the PDF file (ICICEL-1911-023(edit)) that you downloaded from the online submission system (<http://www.icicel.org>). Proof must be received within Three Days from the date of this letter. You should also upload the edited PDF file to the submission system even if there is no change needed.

If we do not hear from you within Three Days or your paper proof is not proper, your paper may not be published as scheduled.

Thanks for your cooperation.
