Help

Dear Professor Siti Aslamyah,

Thank you for promptly sending the APF and Policy form. I want to inform you that I invited your recommended reviewer today. If we do not hear back from them by the end of next week, we will request other reviewers to expedite the publishing process. Thus, please let me know if you have in mind other recommended reviewers.

Kind regards,

Dr. Shindo Hofstetter
IJA Editor-in-Chief

Dear Professor Siti Aslamyah,

I am glad to tell you that your manuscript is currently under review, and I hope to hear back from the reviewers before the end of this month.

Would you please let me know if you have any questions?

Yours truly,

Dr. S. Hofstetter
IJA Editor-in-Chief

- Siti Aslamyah

Jan 19, 2022 - 9:59 pm SST

Dear Dr. S. Hofstetter,

Thank you for letting me know that our manuscript is under review. Do hope our manuscript will be accepted in this journal. Thank you so much for your time and consideration.

Best Regards,

Dr. Siti Aslamyah

Help

Congratulations, Professor Siti Aslamyah,

Your article titled, Effect of Various Doses of Fermented Herbal Extracts as a Feed Additive on Growth Performance and Feed Efficiency of Mud Crabs (*Scylla olivacea*) Cultivated in Ponds, has been accepted for publication in the *Israeli Journal of Aquaculture* pending minor revisions.

Please follow the reviewer's comments and suggested revisions in this message at the bottom of this page and relate to the attached files. Once you complete the needed edits, please send your revised manuscript as a reply to this message.

Please make sure not to upload your revised manuscript as a new manuscript. It might cause a significant delay in the processing and publishing of your manuscript.

Upon approving your revised manuscript, you will receive an invoice via PayPal from the IJA (sponsored by AquacultureHub, Inc). Please pay your invoice promptly to speed the publication process.

Shortly after payment is received, you will receive a final version for your approval to publish your paper.

Once we complete the publication production, you will receive your citation information and a link to your article.

If you have any questions, feel free to contact me at:
ija.editor@aquaculturehub.org

Thank you very much for your kind considerations,

Dr. S. Hofstetter
IJA Editor-in-Chief

Reviewers' Comments:

There is no citation related to *Morus alba* in the introduction and the material and methods of the reference Hussain, F., Rana, Z., Shafique, H., Malik, A., Hussain, Z. 2017. The phytopharmacological potential of different species of *Morus alba* and their bioactive phytochemicals: A review. *Asian Pacific Journal of Tropical Biomedicine* 7 (10): 950–956. <https://doi.org/10.1016/j.apjtb.2017.09.015>.

Is there any previous research on the use of *Morus alba*, *Curcuma xanthorrhiza*, and *Boesenbergia rotunda* as a functional feed additive of mud crabs?

Why choose these herbs?

Help

The author can explain the basis for determining the dosages in the introduction is missing.
