Title: Multiple preputial stones: A case report and literature review

International Journal of Surgery Case Reports

Dear Dr. Palinrungi,

I am pleased to inform you that your paper "Multiple preputial stones: A case report and literature review" has been accepted for publication in International Journal of Surgery Case Reports.

This journal is fully open access; all articles will be immediately and permanently free for everyone to read and download. To provide Open Access, this journal has a publication fee which needs to be met by the authors or their research funders.
