Title: A Prototype of Low Cost Weather Station for Data Spatial and Temporal Analysis

Author(s): Indrabayu, Saleh Pallu, Andani Achmad, Intan Sari Areni and Anugrayani Bustamin

has been accepted for the publication with the following conditions. Also, please use the ICIC-EL style files <http://www.icicel.org/ell/information.html> (either LaTeX source files, or Word with PDF files) for preparing your paper (no more than 8 pages) for the publication.

The paper is generally well written and organized. The results presented in the paper seem correct, and potentially useful in practice. The techniques employed to tackle the problems are generally standard with some novelties. The paper can be accepted for publication subject to some necessary minor changes as below:

Comments:

- (1) The full names of some acronyms are suggested to be given when they are used for the first time, such as the "ANN" in the third paragraph of page 2, the "MSE" in the fourth paragraph of page 2.
- (2) The size of font in figure 2 is suggested to be increased.
- (3) Figures 5-7 are suggested to be redrawn to improve the pixel, and more analyses for them are expected to be given.
- (4) Some improper english expressions can be found in this
