Dear Mr. Ilham,
Admin HAYATI J Biosci

We have cross-checked and found the correction of our manuscript to be appropriate. However, there are still three little mistakes in the writing font style of the word "Agrobacterium" and "Chrysanthemum", and also capitalization of the first letter of the word "Chrysanthemum". Please refer to the table below.

No.	Section	Written	Should be written
Materials and Methods			
1.	2.3. Paragraph 1	"Agrobacterium..."	" <i>Agrobacterium ...</i> "
2.	2.3. Paragraph 2	"... Agrobacterium ..."	"... <i>Agrobacterium ...</i> "
Results			
3.	Figure 3.	"... chrysanthemum ..."	"... <i>Chrysanthemum ...</i> "

Could you please make the correction and proceed with the final publication? Thank you.

Yours sincerely,

Rinaldi Sjahril, Ph.D.

Dear Mr. Ilham,
Admin HAYATI J Biosci

Thank you for your kind corrections made to our manuscript. However, after a very thorough review, editing, and proofreading of the manuscript from our co-authors, we regretfully have to ask for your kind assistance to make a lot of amendments and corrections again.

We wish to add one more co-author who helped us a lot in the laboratory and in the field during the course of the research, her name is Astina Tambung, our laboratory assistant.

Please find in the attachment a file of the edited and reviewed, proofread corrections and review, and a list of the corrections of the manuscript. We apologize for the inconvenience caused.

Thank you for your kind assistance and cooperation.

Best regards,

Rinaldi Sjahril, Ph.D.
