Editor Bali Medical Journal <editorbalimedicaljournal@gmail.com> to me

Apr 20, 2022, 11:41 PM

Dear Authors,

Thank you for submitting your article entitled: "*The Relationship Of Tumor Necrosis Factor Alpha Levels And Neutrophils With Skin Wound Age Caused By Sharp Trauma*"

Based on our author guidelines, Your article fulfilled the minimal required structure, <https://balimedicaljournal.org/index.php/bmj/pages/view/authorguidelines>

In order to have a better-structured article, we suggest you edit based on a checklist, the simplest way, you may use the Publons review checklist.

According to the new International regulation, please input your details in the article:

1. Ethical clearance number - please fill out the ICJME form that can be found on author guidelines. (confirmed)
2. Please state your conflict of interest in the paper. (confirmed)
3. Please state the funding (if any) in your paper. (confirmed)
4. Please state each author's contribution. (unconfirmed)
5. Please noted that based on the initial plagiarism report of your article, it reached 37% of similarity. Please revise it.
6. Please note, you will be charged **1000 USD (not including proofreading, etc)** if the article is accepted, please confirm if you agree with this.

Your article needs major revision based on our initial assessment. Furthermore, your article needs careful revision since the plagiarism report reached 37%. Please confirm whether your manuscript is currently not submitted to any **journal** or under any consideration for publication in any **journal**.

Please revise your article with the missing details, and send it back to us in 7 days.

*If you want us to fix this for you, we will charge an extra **350 USD** for proofreading and basic structure editing (by a native English **Medical** Speaker).
