Please highlight the corrections in this article in red. We hope you'll do great.

The reviewers recommend you:

1. Please describe the scientific novelty of the research compared to the current regulations in science.
2. Please specify the applied value of the results. Clarify the practical limitations for the application of the results.
3. Please retain only most recent sources in the References, preferably those published in 2017-2021.

Deadline for corrections and payment: May 13, 2021.

Majority of the cost of publication is funded by Article Publication Charges (APCs) paid by authors or their institutes. APCs allow for articles to be made freely available Open Access (OA) to all readers, anywhere in the world. Journal of Hunan University (Natural Sciences) is OA.

The APC is EUR 350.00.

All articles published in our journal are open access and freely available online, immediately upon publication.

We recommend that the authors use the academic text editing service for the scientific articles, but not just proofreading. Please use the American English option. We recommend the use of large, trusted companies with editors having a Ph.D. degree. You should also attach an editing certificate or use the editorial office services. Articles that are not edited by native English speakers are not allowed for publication. The editorial team provides academic proofreading services for the authors at an additional cost. The fee - EUR 100.00 was already included in the invoice if the certificate is not attached to the article.

Dear editorial team

Thank you for your quick response. I would like to get an academic proof reading service from editorial team. For that purpose, I would like to ask a question regarding the payment. Is the invoice of the payment EUR 430 included the academic proof reading service or I must pay EUR 530?

Thank you
Best regards
