 Subject: Re: Request Revision (IJHT 12710)

Dear Editors,

I've seen in my account that our journal has been accepted.
 I want to know the next process we have to do so that the journal can be published

Best regards
 Zuryati Djafar

Dear authors,

We have reached a decision regarding your submission to International Journal of Heat and Technology, " Comparison of Performance Effectiveness of Hot Mirror and Cold Mirror as a Beam splitter on Photovoltaic Thermoelectric-Generator Hybrids using LabVIEW Simulator".

Our decision is: Revision Required

1. Revise the current paper according to reviewers' comments. Highlight any change or track changes you make. Response to reviewers is also required.
2. Typeset your final paper according to the attached template.

Please return your revised manuscript and the response to reviewers to this e-mail **before 26 August 2021**. Thanks for your cooperation.

Any questions, please let us know.

Kind regards,

Ms. Selina | Assistant Editor
