Dear editors

Thank you for sending the final proof.

We re-submit our revised articles including corrections to the writings:

- 1) on the title "on **3** Types of Stove Wall Materials" ... became... "on **Three** Types of Stove Wall Materials"...
- 2) in literature review untuk number 2 and 3, we have substituted its with more valid references
- 3) have corrected the legend in the graph 1 to 5.
- 4) In references... reff [2] and [3] we have replaced them, as in the articles we submitted.

we hope there are no more mistakes in our article, thank you very much

best regards

Dear colleague,

Before publication, it is decided that this final proof should be sent to the authors once again for careful reading and re-check, to rule out the mistakes / errors of all kinds.

Download "final proof". Read it carefully with particular reference to the following points:

1. If some corrections are left out, **highlight** them and attach notes on how to correct directly in the file.
2. Check with care all the symbols in the text.
3. Please fill in "**Copyright Transfer Agreement**". Please note that "**corresponding author's signature**" in the agreement shall be manually signed.

Please return the corrected final proof before **February 25 2022**.

It is our mutual responsibility that the academic works published in the journal should be "mistake or error free" and of quality as well. Our attention and efforts to this would make the journal still better, besides enhancing the utility of your published research.
