Dear Dr. Risma Neswati

This is with regard to your submitted manuscript, 102608-AJCS-ANSI, titled CHARACTERISTICS OF POST NICKEL MINING SOIL AND ITS POTENTIAL FOR DEVELOPMENT OF NON-TIMBER PRODUCING PLANTS, submitted to Asian Journal of Crop Science on 15 April, 2020 for consideration as a Research Article.

The above mentioned manuscript has been finally accepted by the Reviewer for publication in Asian Journal of Crop Science as Research Article. You may download the final acceptance letter after log in to your account with User ID neswati76@gmail.com.

Before we can continue with final production, it is mandatory to pay Article Processing Charges. All articles published in our journals are open access and freely available online, immediately upon publication. This is made possible by an article-processing charge (APC) that covers the range of publishing services we provide. This includes provision of online tools for editors and authors, article production and hosting, liaison with abstracting and indexing services, and customer services. The APC, payable when your manuscript is editorially accepted and before publication, is charged to either you, or your funder, institution or employer.

You may download the invoice after log in to your account with User ID: neswati76@gmail.com.

If you have forgot your password, you may retrieve your password from the following link by providing your User ID neswati76@gmail.com.
