Dear, All Participants of Isoceen 2017

Relating to the final publication process of Isoceen 2017, please note some important points below :

1. Check the final Pdf of your paper below
2. fill and sign the Publication Right Form. This form should be signed by at least 1 author, and scan this form in .pdf file.

Please re-send your scanned Publication Right form.PDF, max. 8 June 2018, at 24.00.

Due to the limited remaining time of publication deadline from MATEC, we hope your cooperation to compromise it.

Thank you
