Dear Mr Asman,

We have received the reports from our advisors on your manuscript, "The occurrence of *Xylosandrus compactus* and its associated fungi on cacao from South Sulawesi, Indonesia: A preliminary study of an emerging threat to the cacao industry", submitted to Journal of Plant Diseases and Protection

Based on the advice received, the Editor has decided that your manuscript can be accepted for publication after you have carried out the corrections as suggested by the reviewer(s).

Attached, please find the reviewers' comments for your perusal. When preparing your revised manuscript, you are asked to carefully consider the reviewer comments which are attached, and submit a list of responses to the comments. Failure to do so may lead to your revised manuscript being rejected without further review. Please make sure to submit your editable source files (i. e. Word, TeX).

Please mark all changes (e.g. using the track changes functionality of your word processing program or by colored text) in the revised manuscript and add a cover letter including an itemized response to the reviewer's comments. Please also check online for possible reviewer attachment(s).

Please submit your revised manuscript online by using the Editorial Manager system.

Dear Author,

We are pleased to inform you that your paper is nearing publication. You can help us facilitate quick and accurate publication by using our e.Proofing system. The system will show you an HTML version of the article that you can correct online. In addition, you can view/download a PDF version for your reference.

As you are reviewing the proofs, please keep in mind the following:

- This is the only set of proofs you will see prior to publication.
- Only errors introduced during production process or that directly compromise the scientific integrity of the paper may be corrected.
- Any changes that contradict journal style will not be made.
- Any changes to scientific content (including figures) will require editorial review and approval.

Please check the author/editor names very carefully to ensure correct spelling, correct sequence of given and family names and that the given and family names have been correctly designated (NB the family name is highlighted in blue).

Please submit your corrections within 2 working days and make sure you fill out your response to any AUTHOR QUERIES raised during typesetting. Without your response to these queries, we will not be able to continue with the processing of your article for Online Publication.

Your article proofs are available at:
