Priapismus due to chronic myelocytic leukemia

Dear Syarif,

The PDF for your above referenced manuscript has been built and requires your approval. If you have already approved the PDF of your submission, this e-mail can be ignored.

Please review the PDF carefully, before approving it, to confirm it appears as you expect and is free of any errors. Once approved, no further changes can be made.

To approve the PDF, please:

- * Log into Editorial Manager as an author at: <https://www.editorialmanager.com/ucr/>.
- * Click on the folder 'Submissions Waiting for Author's Approval' to view and approve your submission PDF. You may need to click on 'Action Links' to expand your Action Links menu.
- * Confirm you have read and agree with Elsevier's Ethics in Publishing statement by ticking the relevant box.

Once the above steps are complete, you will receive an e-mail confirming receipt of your submission.

We look forward to receiving your approval.

Kind regards,
Urology Case Reports

Article Title: Priapism due to chronic myelocytic leukemia
Corresponding Author: Syarif Syarif

Dear Syarif,

Your submission entitled "Priapism due to chronic myelocytic leukemia" has been received by Urology Case Reports. However, before we can proceed with the review process we ask you to address the following:

1. To comply with our guidelines, please reduce the number of authors to 6. Place the remaining authors in an Acknowledgement in the "Title Page" file.
2. DELETE/REMOVE the Title and Abstract from the "Manuscript" file. This file should begin with the "Introduction" section. Move the Key Words to the end of the "Manuscript" file.
3. Figures can NOT be embedded in the "Manuscript" file. Delete the Figures from the Manuscript file, leaving the Legends intact.
4. REMOVE the Legends from the "Figure" files and place these after the Reference section in the "Manuscript" file. NO wording should appear outside of the images.

Please log onto Elsevier Editorial System as an Author:

<https://www.editorialmanager.com/ucr/>.

1. Go to the menu item "Submissions/Revisions Sent Back to Author".
2. Click "Edit Submission/Revision".
3. Click on the relevant submission step on the left-hand menu.
4. Provide or modify the item/information as requested.
5. Go to "Attach Files" and "Build PDF for my Approval".
6. View and Approve your new PDF file including the changed item(s), or if needed, Edit again.

Thank you for submitting your work to the journal, and if you have any questions, please do not hesitate to contact me.

Yours sincerely,

Urology Case Reports

Manuscript Number: UCR-D-21-00527

Priapism due to chronic myelocytic leukemia

Dear Syarif,

Thank you for submitting your manuscript to Urology Case Reports.

I am pleased to inform you that your manuscript has been accepted for publication.

My comments, and any reviewer comments, are below.

Your accepted manuscript will now be transferred to our production department. We will create a proof which you will be asked to check, and you will also be asked to complete a number of online forms required for publication. If we need additional information from you during the production process, we will contact you directly.

We appreciate you submitting your manuscript to Urology Case Reports and hope you will consider us again for future submissions.

Kind regards,
Judith Borozzi
Managing Editor
Urology Case Reports
