Dear Editor Journal Of Sciences, Islamic Republic of Iran

Dear editor
 We have received and noticed revisions from both reviewers. We thank you for all the notes submitted related to our paper. Of course, we try hard to improve it in accordance with the directions and questions of the reviewer.
 In this regard, we submit to the editor that:

1. We have improved the composition of our articles by making introductions, materials and methods, results and discussion. We made that part without removing any part from our first paper.
2. All notes from the two reviewers we have written into a word file with the file name: Revised note from author.
3. The file that we have repaired, we named the file: Main File_Article by Anna Islamiyati_Revision.

Itulah yang dapat kami sampaikan terkait perbaikan artikel kami. We hope that our article will be accepted and published in the Journal of Sciences, Islamic Republic of Iran. Thank you for your attention.

Best Regards
 Anna Islamiyati

Dear, Editor Journal of Sciences, Islamic Republic of Iran,

Thank you for the opportunity given to me to correct all the mistakes in our article. Some points that we have revised and added are:

1. I have added the author at our request. Thank you for your understanding about it.
2. I have added cities in our affiliation.
3. I have fixed the name of the journal which must be abbreviated.
4. I have changed my email address to annaislamiyati701@gmail.com. That is because there is a system improvement in our university email, so I switched to using gmail email for correspondence. Thank you for your understanding.

That's all from me. A big thank you for your attention. Hope our article can be accepted and published.

Best regards,
Anna Islamiyati
