Dear author,

You can find your manuscript entitled "The Stages of Development of Liver And Renal Injuries in Rats Induced by Fixed Dose Combination of Antituberculosis Regimen (A592)" in the attachment file. The manuscript **(including references)** has to be organized according to the instructions for authors of journal. After correction the proof will be prepared and send you.

Please send the article in 1 week.

Thank you.

Regards,

Suna Sabuncuoglu
