Dear Dr. Andi Dwi Bahagia Febriani,

Your manuscript entitled:

Physiologic changes of serum creatinine level following aminoglycoside exposure in neonatal sepsis

received for publication in Minerva Pediatrica (New title: Minerva Pediatrics) and registered under no. Minerva Pediatr-6909 would be more appropriate for publication in the journal Gazzetta Medica Italiana - Archivio per le Scienze Mediche. Please let me know if you wish to resubmit your paper to the suggested journal.

You will find detailed information about the journal Gazzetta Medica Italiana - Archivio per le Scienze Mediche under the JOURNALS section on our website [www.minervamedica.it](http://www.minervamedica.it).

We wish to inform you that publication costs for the journal are Euro 55 for each printed page plus the charges for figures and tables which will be notified once you accept our suggestion.

To accept or refuse the option to resubmit your manuscript for publication in the journal Gazzetta Medica Italiana - Archivio per le Scienze Mediche, go to the website [www.minervamedica.it](http://www.minervamedica.it), first select "ONLINE SUBMISSION", then log in and click on "MANUSCRIPTS SUGGESTED FOR SUBMISSION TO ANOTHER JOURNAL" in your "Summary of papers", click then on the icon of the manuscript, access your "WORK AREA" and select "ACCEPT / REFUSE ANOTHER JOURNAL".

Please note that by accepting the option to resubmit your manuscript to the suggested journal, you will need to restart the submission process of your manuscript as a new submission:

- Select the journal title from the "JOURNAL" fall-down menu;
- Click on "SUBMIT A NEW MANUSCRIPT" in the left menu
- In Step 1 of the submission process, click on "MANUSCRIPT RESUBMITTED FOLLOWING SUGGESTION TO SUBMIT IT TO ANOTHER JOURNAL"
- Attach a new authors' declaration and submit it with your manuscript to the journal Gazzetta Medica Italiana - Archivio per le Scienze Mediche

For further information about publishing in our journals, please contact the Editorial Office.

I look forward to receiving your reply so as to ensure a speedy review process.

Sincerely,

Dr. Gianni Bona  
Chief Editor  
Minerva Pediatrica (New title: Minerva Pediatrics)

Dear Dr. Andi Dwi Bahagia Febriani,

I am pleased to confirm you that your manuscript entitled

Physiologic changes of serum creatinine level following aminoglycoside exposure in neonatal sepsis

received by the editorial office of Gazzetta Medica Italiana - Archivio per le Scienze Mediche and registered under no. Gazz Med Ital - Arch Sci Med-4810 has been accepted for publication as Original Article.

Before preparation of the proofs, the manuscript will undergo copy-editing to align it with the journal's editorial standards. You will be contacted by the editorial staff should any questions arise. From now on, any request for substantial changes in content (changes of title and authorship, new results and corrected values, changes in figures and tables) will be subject to a completely new peer-review process.

We wish to remind you that Gazzetta Medica Italiana - Archivio per le Scienze Mediche is a hybrid journal and Minerva Medica offers authors the option either to publish the article open access or to follow the traditional subscription-based route.

In the first case your manuscript will be freely available online upon publication to anyone anywhere. Authors will retain copyright and will be asked to sign a License Agreement. Minerva Medica will distribute the article under a Creative Commons Attribution Non-Commercial License (CC BY-NC) which allows users to read, download and share the work as long as it is properly referenced and the use is not commercial. Authors will be asked to pay an Article Processing Charge (APC) which may be paid by an institution or a funder. Authors can publish under the Creative Commons Attribution License (CC BY) if required by their funder.

If authors opt for the traditional subscription-based route, the manuscript will be made available to institutions and individuals who purchased a subscription or paid to read specific articles. Authors will be asked to sign a Copyright Transfer Agreement and will be requested to pay a set price per published page (Page Charges), being understood that Page Charges may be paid by institutions or funders on behalf of the authors.

In order to forward your manuscript to production, since we have received no reply from you to date, we kindly ask you to click the link below to choose the publication model and to download, fill in and send the relevant publishing agreement. Immediately afterwards you will receive the payment form.

Dear Dr. Andi Dwi Bahagia Febriani,

We inform you that the proofs of your paper entitled:

"Physiologic changes of serum creatinine level following aminoglycoside exposure in neonatal sepsis"

accepted for publication in Gazzetta Medica Italiana - Archivio per le Scienze Mediche are now available online at [www.minervamedicaonlinesubmission.it](http://www.minervamedicaonlinesubmission.it). You will find below the instructions to view the proofs of your paper and send your corrections.

Step 1: view the proofs of your paper

1. go to the website [www.minervamedica.it](http://www.minervamedica.it) and select 'ONLINE SUBMISSION'. You will be redirected to [www.minervamedicaonlinesubmission.it](http://www.minervamedicaonlinesubmission.it), where you can log in
2. click on either 'SEND PROOFS/PAYMENT FORMS' on the left side of the screen or 'MANUSCRIPTS WITH AUTHOR FOR PROOFREADING' in your 'Summary of papers'
3. click on the icon of the manuscript
4. go to the FILES area, download the proofs in PDF.

Other than the proofs, you will also find the submitted manuscript (paper files) and the manuscript with the changes made-by the copyeditors and language reviewers on the final version accepted by the reviewers (edited files). These files are for consultation only. Please do not use them to correct the proofs.

Step 2: submit your corrections

1. go to the FILES AREA, view the proofs in PDF and send your comments as a list of corrections by using the AUTHORS' PROOF CORRECTION FORM which can be downloaded in the UPLOAD FILE section. Complete the form in every part, indicating for each correction the incorrect text and the correct text. Then upload the form by clicking on UPLOAD NEW FILE. Corrections made on the PAPER FILES and on the EDITED FILES will not be accepted.
2. go to the WORK AREA and open the PROOF CORRECTION section by clicking on EDIT to forward your corrections to the Editorial Office. In order to forward the paper to publication, this procedure should be completed even if no corrections have been made (click on 'No proof corrections need to be done').

Proof corrections should be limited to typographical errors. Excessive alterations to proofs will be charged to the authors. Substantial changes in content (changes of title and authorship, new results and corrected values) will be subject to a new complete peer review process. Changes that do not conform to the journal's style will not be accepted.

Step 3: final confirmation

1. Once steps 1 and 2 have been completed, the CONFIRM icon will appear. Click on CONFIRM to submit your corrections to the editorial office and forward your article to the final publication steps.

Please return the corrections within 3 days. Prompt return of proofs is essential for regular publication of the journal.

Thanking you very much indeed for your cooperation, we send you our very best regards.
