To encourage open scientific discussions and increase the visibility of published articles, MDPI recently implemented interactive commenting functionalities on all article webpages (side bar on the right). We encourage you to forward the article link to your colleagues and peers.

We encourage you to set up your profile at [SciProfiles.com](https://www.sciProfiles.com), MDPI's researcher network platform. Articles you publish with MDPI will be linked to your [SciProfiles](https://www.sciProfiles.com) page, where colleagues and peers will be able to see all of your publications, citations, as well as your other academic contributions.

You can also share the paper on various social networks by clicking the links on the article webpage. Alternatively, MDPI can post an announcement of your article on our Twitter channel (<https://twitter.com/MDPIOpenAccess>), please provide the doi number of the manuscript and a text of up to 117 characters with spaces to [socialmedia@mdpi.com](mailto:socialmedia@mdpi.com). Please note that our service Scitations.net will automatically notify authors cited in your article.

We would be happy to keep you updated about new issue releases of animals. Please enter your e-mail address in the box at <https://www.mdpi.com/journal/animals/toc-alert/> to receive notifications. After issue release, a version of your paper including the issue cover will be available to download from the article abstract page.

To order high quality reprints of your article in quantities of 25-1000, visit: <https://www.mdpi.com/2076-2615/9/9/643/reprints>

We support the multidisciplinary preprint platform /Preprints/, which permanently archives full text documents and datasets of working papers in all subject areas. Posting on the platform is entirely free of charge, and full details can be viewed at <http://www.preprints.org>.

We are dedicated to providing an outstanding publishing service, and we invite you to complete our author satisfaction survey <https://www.surveymonkey.com/r/authorfeedback2019>. The survey contains 20 short questions and will only take a couple of minutes to complete.

Thank you for choosing Animals to publish your work, we look forward to receiving further contributions from your research group in the future.
