Nonlinear Dynamics and Systems Theory, ISSN 1562-8353 (print), ISSN 1813-7385 (online)

Impact Factor from SCOPUS for 2018: 0.870, SJR – 0.292, and h-index – 15.

(1) General. Nonlinear Dynamics and Systems Theory (ND&ST) is an international journal devoted to publishing peer-refereed, high quality, original papers, brief notes and review articles focusing on nonlinear dynamics and systems theory and their practical applications in

engineering, physical and life sciences. Submission of a manuscript is a representation that the submission has been approved by all of the authors and by the institution where the work was carried out. It also represents that the manuscript has not been previously published, has not been copyrighted, is not being submitted for publication elsewhere, and that the authors have agreed that the copyright in the article shall be assigned exclusively to InforMath Publishing Group by signing a transfer of copyright form. Before submission, the authors should visit the website: (see <http://e-ndst.kiev.ua/aims&scope.htm>).

To the attention of potential authors for the Journal

If you intend your paper for publication in the Journal please keep in mind that:

1. The subject of the paper should fall within the Scope of the Journal ND&ST (see www.e-ndst.kiev.ua)
2. You should be acquainted with the papers on your subject published in our Journal so that to cite some of them which was published in TWO last years.
3. Your paper should contain **appropriate examples** and/or **application** of general results as well as **concluding remarks** .
4. The references should be presented in the form meeting strictly the Instruction published in the Journal. Examples of reference citation are given (see http://e-ndst.kiev.ua/Sample_NDST.zip).

For the paper codes **MSC-2010** should be indicated (see <http://www.zentralblatt-math.org/msc/data/msc2010.pdf>)

5. It is highly desirable that the text of the paper will occupy the even number of pages and not exceed 10-16 pages, and for the papers in general line are not exceed 10-12 pages.
6. The list of literature for the article should be in strict accordance with our style files and should not contain more than 15-20 titles.
7. The Introduction to the article should be as short as possible and contain the justification for the research investigation, not more than 0.5-1.5 pages.
8. For fast publication there is service Priority Page Charge Publication (USD25.00 per page).

Dear Authors,

Thank you for your intention to use our PPCP service. Please take into account the comments of the Reviewer in the final version of the manuscript.

Sincerely,
Editor

From Review:

The manuscript is of interest to the journal. However, it needs some additional work.

1. It is necessary to add codes MSC(2010), in particular from sections 70Kxx and/or 93-XX.
2. you need to take into account all our recommendations for potential authors (in the appendix).
