# ACTA PHARMACEUTICA SCIENCIA

Dear Yulia Yusrini Djabir,

Thank you for submitting your manuscript entitled "Syzygium aromaticum essential oil ameliorates levofloxacin-induced hepatic injury in rats: Antioxidant, biomarker and histopathological analysis" to ACTA Pharmaceutica Scientia . Your manuscript will first be evaluated by the editors and if it meets the Journal's standards, will be forwarded to referees for scientific review. You will be able to follow the stage of your manuscript in the review process through the author center to which you will have access with your user name and password. You can use the author center for revisions and new submissions.
