Dear Sitti Nur FARIDAH,
Thank you again for submitting your manuscript:

The Crop Coefficient of Ginger (*Zingiber officinale* var. *rubrum*) during Vegetative Growth in Eastern Indonesia
Authors: Sitti Nur FARIDAH, Samsuar SAMSUAR, Husnul MUBARAK, Tisha Aditya JAMALUDDIN, Gemala HARDINASINTA, Reski AMALIA, Nunik LESTARI.

Your manuscript has now been reviewed by experts in the field. Please find here attached the review reports.

Please revise the manuscript according to the referees' comments and send us your revision to acta.tf@gmail.com until 29 July 2022.

- Any revisions to the manuscript should be marked up in colour such that any changes can be easily viewed by the editors and reviewers.
- Please provide a cover letter to explain, point by point, the details of the revisions to the manuscript and your responses to the referees' comments.
- If you found it impossible to address certain comments in the review reports, please include an explanation in your rebuttal.
- The revised version will be sent to the editors and reviewers.

The major problem is to incorporate the technical and technological aspect of irrigation so that it falls better to the scope of the ATA journal.

Please inform us whether you will be able to incorporate the comments of reviewers.

Do not hesitate to contact us if you have any questions regarding the revision of your manuscript. We look forward to hearing from you soon.

Thank you very much.
Sincerely,

--

Dear Katarina Kollarova
Thank you for reviewing our manuscript

The Crop Coefficient of Ginger (*Zingiber officinale* var. *rubrum*) during Vegetative Growth in Eastern Indonesia

We resubmit the corrected manuscript.

Some parts of the manuscript were removed and some parts were added to suit the scope of the ATA journal. Some of the literature is not directly related to the results of the study but is used to support the discussion in this manuscript.

We really hope this manuscript can be published in the ATA journal

Thank you very much

Sincerely,

Sitti Nur Faridah
