Review progress

St. Fauziah, S.Si, M.Si <stfauziah@unhas.ac.id> to jsub, Egyptian Sun, Nov 22, 2020, 1:39 PM

Dear,

Executive Managing Editor of Egyptian Journal of Chemistry

Manuscript ID: [EJCHEM-2010-2912](#)

I would like to ask the progress of my manuscript review with the manuscript title: **Synthesis and Characterization of Molecularly Imprinted Polymers of Di-(2-Ethylhexyl) Phthalate Using The Precipitation Polymerization Method**. Thank you in advance.

Best regards,  
Dr. St. Fauziah

A screenshot of a Gmail inbox showing an email titled "Manuscript Needs Major Revision (Manuscript #EJCHEM-2010-2912 (R1))". The email is from the Egyptian Journal of Chemistry, dated Tue, Dec 22, 2020, 1:37 PM. The content includes the manuscript ID, title, authors, and a message to Dr. St Fauziah stating that the manuscript has obtained major revisions and is not acceptable for publication, but could be rectified and prepared for possible publication.

**Manuscript Needs Major Revision (Manuscript #EJCHEM-2010-2912 (R1))**

**Egyptian Journal of Chemistry** -jssub@ekb.eg>  
to me, stfauziah\_as >

Manuscript ID: EJCHEM-2010-2912

Manuscript Title: **Synthesis and Characterization of Molecularly Imprinted Polymers of Di-(2-Ethylhexyl) Phthalate Using The Precipitation Polymerization Method**

Authors: St Fauziah, Andi Magattang Gafur, Nunuk Hariani Soekanto, Paulina Taba, Ajuk Sapar

Dear **Dr. St Fauziah**

Your manuscript has obtained major revisions. In this case, we normally treat it as unacceptable for publication. However, as numerous editorial errors have pointed out by the reviewers, the Egyptian Journal of Chemistry editor believes that the manuscript could be rectified and prepare for possible publication.

Please let us know your views in this regard and in the case of positive response, reply us within 7 days time.

Acceptance With Minor Revision

ejchem

the reviewer(s) comments and revise your manuscript within the period of defined time.

To revise your manuscript, log into <https://ejchem.journals.ekb.eg/> and enter your Author Center, where you will find your manuscript title listed under "MANUSCRIPTS WITH DECISIONS." Under "Actions," click on "CREATE A REVISION." Your manuscript number has been appended to denote a revision.

Once the revised manuscript is prepared, you can upload it and submit it through your Author Center.

While submitting your revised manuscript, you will be able to respond to the comments made by the reviewer(s) in the space provided. You can use this space to document any changes you make to the original manuscript. To expedite the processing of the revised manuscript, please be as specific as possible in your response to the reviewer(s).

IMPORTANT: Your original files are available to you when you upload your revised manuscript. Please delete any redundant files before completing the submission.

Because we are trying to facilitate timely publication of manuscripts submitted to journal, your revised manuscript should be uploaded as soon as possible. If it is not possible for you to submit your revision in a reasonable amount of time, we may have to consider your paper as a new submission.

Once again, thank you for submitting your manuscript to this journal and I look forward to receiving your revision.

Truly yours,

26°C Asap

Dear Dr. St Fauziah

Congratulations! This is to confirm that after scientific and technical evaluation, the above mentioned manuscript has been finalized and accepted for publication in The Egyptian Journal of Chemistry.

Your accepted manuscript will now be transferred to our production department and work will begin on the creation of the proof. If we need any additional information to create the proof, we will let you know. If not, you will be contacted again in the next few days with a request to approve the proof and to complete a number of online forms that are required for publication.
