Dear Dr. Johannes,

Thank you very much for considering the Philippine Journal of Science (PJS) as the venue for publishing your research efforts! We wish to inform you that a complete submission must include the following:

[5b] Wildlife gratuitous permit

- It must be provided for research involving the collection of biological specimens and their byproducts and derivatives.
- It must be issued with permit numbers by the Department of Environment and Natural Resources (or an equivalent agency) for research conducted in the Philippines (or other countries).

You can find the additional descriptions of these requirements in the PJS Author's Guide (<https://philjournalsci.dost.gov.ph/author-s-guide>). A reference number will be provided once you have complied with all requirements. Incomplete submissions will not be reviewed.

Again, thank you for your interest in PJS! We look forward to your complete submission.

Sincerely,
Mr. ALLYSTER A. ENDOZO
