IMPORTANT: If you are unable to generate your LIVEDNA Digital Identifier, please send us your cv with a complete list of publications.

Dear Ahdin Gassa

I am very sorry to inform you that your article is on hold due to one of the following reasons:

1. Digital identifier (LiveDNA iD and ORCID) of the Corresponding Author required to proceed with the manuscript further.
2. Digital Identifier created but is not updated. The author must update their digital identifier (Basic information and a List of Publications) so that we may proceed with your article further.

Your quick response in this regard will surely help us to process your article without further delay.

We are waiting for your quick response.

CONFIRMATION LETTER

We need to convey that there has been a change in the title of the article and the composition of the author team and we have conveyed the change with a Letter for Author Name Addition [attached] since the beginning of the revision by the Academic Editor [Mr. Sabeen Saher]

and if we want to pay APC how is the payment system..? sent to whose account number..?

As is our custom for every article payment, usually via bank transfer or western union services

We ask for the information back soon, thank you for the help

Best regards,

Authors Team Leader
Ahdin Gassa
