Dear Rosana Agus, Nurhidayah, Sjafaraenan,

Kindly we would like to inform you that the ICOS2019 committee had received an email from the IOP Publishing as the publisher saying that your paper number 132 entitled

Isolation and Cloning of Rv3204 of Mycobacterium tuberculosis to Escherichia coli BL21 as Vaccines Tuberculosis : Preliminary Study

is accepted for publication.

All accepted papers had been passed to production and a volume in IOP-JPCS is being prepared for the publication.

The production will contact the committee directly if they find any technical issues with the file of your paper and when the volume is ready to be previewed just before it is published.

We will contact you with any further information.

Congratulations.

Best regards  
ICOS2019 Committee

Dear authors,

Kindly please find enclosed

1. the Letter of Acceptance for your paper submitted to ICOS2019
2. some correction for your manuscript
3. IOP template
4. example of published papers.

Please resubmit via easychair after being corrected.

After all, we intend to get our papers published as quickly as possible.  
That is the reason we want you to make your paper in the IOP standard format.

Best regards,
