Dear Ms. Eng-Kee Tan

Congratulations! - your paper #1570679814 ("Lightweight Messaging Protocol for Precision Agriculture") has been accepted to ICOIN 2021.

The deadline for the Camera-Ready Paper Submission is **** 27 November 2020 ****. We will post the Advance Program as soon as all the camera-ready papers are ready and conference registration is completed. Please understand our very tight schedule. The Author Registration deadline is also 27 November 2020.

For more information about the registration, please visit our web site at <http://www.icoin.org> and click on the 'Registration'.

The reviews are at the end of this e-mail or can be found at <https://edas.info/showPaper.php?m=1570679814>. Please revise your paper according to the reviewers' comments.

[** IEEE Publication **]

To be published in the ICOIN 2021 Conference Proceedings and IEEE Xplore, at least one author of the accepted paper **MUST** register by paying one of the Author Registration Fees before the camera-ready paper is submitted (**** Registration deadline: 27 November 2020 ****). If multiple papers are accepted, each paper **SHOULD** be registered at Author registration fee. For more information, please visit our web site at <http://www.icoin.org> and click on the 'Registration.' Please note that the regular author participants can obtain online technical proceedings, admissions to all sessions including opening ceremony, technical/poster sessions, tutorials, welcome reception, banquet, and coffee breaks.

[** Camera-Ready Paper Submissions **]

All camera-ready submissions must be submitted electronically, in PDF format, and uploaded on EDAS. Note that all camera-ready manuscript submissions **MUST** be formatted with the standard IEEE conference templates and **MUST** be validated by IEEE PDF eXpress. For more details, please check <http://icoin.org/sub03/sub0301.php>.

[** IEEE Copyright Form Submission **]

Along with the final camera ready paper, the authors also need to submit an electronic IEEE copyright form on EDAS. For more details, please check <http://icoin.org/sub03/sub0301.php>.

Please feel free to contact us if you have any questions.

Best regards,

Technical Program Committee Chairs for 2021 International Conference on Information Networking (ICOIN)
