Dear Ahmad Dwi Setyawan and Anisa Septiasari,

I represent all authors of MS.4241 (Nenni Asriani et al.) would like to inform you that we just submitted the revision of the manuscript to the online system. I am sorry for the significant delayed of the revised ms submission due to the long time needed for field cross check of the organisms including took new photographs as requested by some reviewers.

We are hoping that the revised manuscript is much improved in quality and could be accepted for publication in your journal.

Best Regards,  
Rohani
