Rohani Ambo-Rappe, Yayu A. La Nafie, Syafiuddin, Steven R. Limbong, Nenni Asriani, Nur Tri Handayani, Eka Lisdayanti:

We have reached a decision regarding your submission to Biodiversitas Journal of Biological Diversity, "Restoration of seagrass, *Enhalus acoroides* (L.f.) Royle using a combination of generative and vegetative techniques: Co-planting *Enhalus* seedlings and transplants".

Our decision is: Revisions Required

Smujo Editors  
[editors@smujo.id](mailto:editors@smujo.id)

---

Reviewer B:

A good research with clear objectives, good results and well written. However the manuscript needs some improvement:

1. Is there any other *Enhalus* in surrounding experiment area and what the depth of the water
2. Compare and contrast with other relevant previous research

Recommendation: Revisions Required

Kepada: Smujo Editors &lt;editors@smujo.id&gt;

Dear Editors,

We have submitted our revision to the system yesterday. We are hoping the revised version of our manuscript has been adequate to fulfill the requirement for publication in Biodiversitas.

Please let us know the next steps and we are looking forward for the good news.

Best Regards,

3/16/2021

Kepada: Smujo Editors &lt;editors@smujo.id&gt;

Dear Editors,

Thank you very much for accepting our paper for publication in Biodiversitas.

Could please forgive me to send it again the very final version for the production, as I have revised the acknowledgment to include one person that preparing a map for this paper.

I hope you do not mind to have this very final version.

Best Regards,  
Rohani Ambo-Rappe
