The page header includes the university logo and navigation menu. The article title is "Coming Soon : International Conference on Sciences (ICOS) 2019", dated 17-05-2019 13:19. The text describes the 3rd International Conference on Science (ICOS) organized by the Faculty of Mathematics and Natural Sciences at Hasanuddin University, Indonesia, in cooperation with several scientific societies. The conference will be held in Makassar, Indonesia, from July 26th to 27th, 2019, with the theme "Development in Sciences towards Better Quality of Life". A sidebar on the right lists "Arsip Berita" (News Archive) by month and year.

## Link Pendaftaran Sebagai Peserta Seminar

The screenshot shows the "My Submissions for ICOS2019" page on the EasyChair platform. The page header includes the ICOS2019 logo and navigation links. The main content area provides instructions for authors, stating that new submissions are disabled and existing ones can be viewed. It also provides contact information for the conference. A table at the bottom lists the author's submission details.

Please note that if you do nothing (not even click on the menu) for more than two hours, your session will expire and you will have to log in again.
