Dear Sir,

Thank you very much for accepting my paper. I prefer to pay processing fee through Paypal. I had sent email to dr. Petrescu-Mag (zoobiomag2004@yahoo.com) two days ago but still no respond. For this case, could you inform me the payment process through Paypal.

Thank you very much for kindly attention and look forward to hearing any information in the near future.

Best Regards,

Mahfud Palo

Dear Professor Mahfud Palo,

First, I apologise for answering your message only now. I was in a remote location for the last two weeks, with no Internet connection.

Second, your paper has been rejected by one of the reviewers (the main reason was the References section, more precise: you have many papers in the list but only few of them have been quoted in text).

However, the other reviewer along with me considered the paper publishable. That is why I am sending you the letter of acceptance.

For addressing the comments, please work only in attached document and use a bright color to highlight all the changes you will do in text.

Regarding the processing fee of 200 USD + bank taxes, pay it by using only one of the variants below. After the payment send me a scan copy of the bank document.

Thank you very much!

With best regards,
Claudiu Gavriiloaie

1st variant of payment:

Beneficiary: Bioflux SRL

City: Cluj-Napoca,

Country: Romania, European Union;

SWIFT CODE of the bank: BTRLRO22

Account (IBAN):

USD: RO68BTRL01302202L28614XX (Cluj-Napoca)

EURO: RO19BTRL01304202L28614XX (Cluj-Napoca)

Bank:

BANCA TRANSILVANIA

Important! When bank transfer is used to pay a publication fee, please pay attention to which modality of payment you chose! There are three options: Ben, Our, Us.

Use always "Us" option (meaning that all the bank transfer costs are in your concern/ authors support them and not the publisher). If you forgot to mention that and you let the bank to set "Ben" or "Our" options, we receive about 160 usd instead of 200 usd. Such payments are not valid and you need to pay again for the rest of the sum and one more transfer charge.

2nd variant of payment:

via Paypal. If you can process such a payment we can start the online form. For this variant, please contact dr. Petrescu-Mag (zoobiomag2004@yahoo.com).

Dear Dr. Mahfud Palo,

The paper entitled "**Selectivity of Drifting Gillnet to *Hirundichthys oxycephalus* (Bony flyingfish) in the Southern of Makassar Strait**" has passed the preliminary evaluation and will be sent to reviewers for a deeper analysis.

In case of acceptance, you will have to pay the processing fee. Starting with February 20, this fee is 250 USD + bank taxes. Due to the fact that you submitted the paper before this date, you will pay the old fee of 200 USD + bank taxes.

More details regarding the variants of payment will be provided later.

So, we will wait for the reviewers' comments. I will keep you informed about the paper's progress.

Thank you!

With best regards,
